RE: Welder Certification

Enclosed is a Certification of Welder Qualifications "Green Card" for Aaron Lorimor, Ken Bertelsen, Casey Koch, David Scott and Justin Sherwood. Please have each person sign there card when you give it to them. Once signed, this card allows him to perform welding on State of South Dakota projects. Also remind him to have the back of the card signed and dated by the Project Engineer/Inspector upon acceptable completion of any welding he performs on State projects.

Please feel free to contact me if you have any questions or need anything further.

Sincerely,

DEPARTMENT OF TRANSPORTATION

A handwritten signature in black ink, appearing to read "Darrell Utter", with a large, stylized flourish at the end.

Darrell Utter
Assistant Bridge Construction Engineer
